POLISHNESS IN MANITOBA

FOLKLORAMA - POLISH PAVILION

**Folklorama has one fundamental message:
it is contained in this:
TO TELL ABOUT THE CULTURE OF THE NATION.**

**The richer this story,
The more content it contains,
The fuller the narrative,
And the more colourful the message,
The more we know about our culture,
The more we immerse ourselves in our history,
The more we draw from our heroes,
From heroes who bore witness to Polishness in times of peace,
but especially when attempts were made to Germanize us,
Russify us, or finally erase us forever from the map of Europe.**

**The presence of the Polish community at the festival of
cultures in Manitoba is a beautiful testimony that pleases, but
we cannot stop at this testimony.
May this week of Poland's special subjectivity in Manitoba be a
time of reflection for us.
And let it become an impulse for us to draw from the
inexhaustible source of Polishness in the same way this year,
so that our STORY OF THE CULTURE OF THE NATION will be
even more beautiful in 2025.**

BE LIKE POLAND!

The Polish community in Manitoba had four unique opportunities to celebrate Polish Heritage Month in Canada. Science, church, culture and fun.

The Congress initiated three of the four events and participated in all of them.
